Officers on Deputation from various States with the Central Secretariat

1685. SHRI ANANTRAY DEVSHANKER DAVE:
SHRI DINESHBHAI TRIVEDI:
SHRI CHIMANBHAI MEHTA:,
SHRI SOMPAL:
SHRIMATI MIRA DAS:

Will the PRIME MINISTER be pleased to state:

(a) the State-wise figures of Central Department Reserve and the figures of officers actually on deputation in each State on 1st July, 1991;

(b) what is the procedure adopted by the Central Government for placement of officers on deputation from various States to the Central Secretariat;

(c) whether the procedure effective is ensuring equitable representation from all the States; and

(d) if not, what Government pro pose to do to rectify this situation?

THE MINISTER OF STATE IN THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS (SHRIMATI MARGARET ALVA): (a) The State-wise figures of Central Deputation Reserve and the figures of the officers from the three All India Services viz., the Indian Administrative Service, the Indian Police Service and the Indian Forest Service actually on deputation at the Centre as on July 1, 1991 may be seen at the Annexure. *(See* Appendix CLX, Annexure No. 65).

(b) A majority of officers from the Indian Police Service and the Indian Forest Service come on Central Deputation on non-secretariat posts like the posts in the Central Police Organisations and the Office of the IG of Forests. However, the names of IPS and IFS officers are also offered for

placement in the Central Secretariat by their Controlling Ministries *viz.* the Ministry of Home Affairs & the Ministry of Environment and Forest respectively.

The procedure adopted by the Government for placement of the IAS officers on deputation from various States to the posts in the Central Secretariat is as follows:

The State Governments are requested every year to offer the names of officers whom they would like to offer for deputation to the Government of India. The names suggested by the State Governments are scrutinised with reference to the eligibility conditions and requirements of officers in the Government of India. The need for having an equitable representation for various IAS cadres in the Government of India is also kept in view, while retaining officers on offer list. The names of the officers retained on offer list are suggested by the Civil Services Board to the Administrative Ministry in a panel of 3 names against each vacancy. The officer selected by the Administrative Ministry is appointed to the post with the approval of the Competent Authority.

(c) Each State cadre of an All India Service has been allotted a Central Deputation Reserve which is proportional to the total size of the State Cadre. Every effort is made to ensure an equitable utilisation of the Central Deputation Reserve by different cadres while selecting officers for posts in the Government of India. However, it is difficult to bring abolut a completely identical utilisation of Central Deputation Reserve by all the cadres. Some of the reasons for this situation are as follows:

(i) The officers from some of the cadres are not too keen to come to Delhi at senior management levels since the amenities available in their State capitals are quite attractive .

(ii) Some cadres like Sikkim, Nagaland etc. which have been constituted relatively later do not have sufficient number of senior officers who could be offered for Central Deputation at Joint Secretary and higher levels.

(d) In view of the reasons cited above, it is difficult *to* bring about a mathemetical party in the utilisation of Central Deputation Reserves by the different cadres. However, efforts to bring about an equitable utilisation are made by regulating the number of officers retained on offer list so as to ensure that more officers from the under represented States are selected for posts in the Government of India.
